

Operational Inspector

John Attwell RVM

Competence

John has been thoroughly trained by Children's Play Advisory Service to be an inspector to carry out operational inspections as recommended in EN 1176.

John has carried out hundreds of operational inspections of playgrounds for CPAS.

There has been a rigorous quality control system which has confirmed he has consistently carried out the inspections to a high standard and in a thorough manner.

His background is as a landscape gardener so he brings some useful additional expertise.
